Dear Parent / Guardian,

I hope you and your families are well.

We are hoping to re-open our school safely on Tuesday, September 1st in line with current guidance and recommendations.

Re-opening the school safely will require the co-operation of all members of our School Community – Board of Management, School Leadership, Staff, Parents and Pupils. We will all be called on to play our part in ensuring that re-opening of the school is done in a safe manner which prevents the spread of the virus and allows the vital work of Teaching and Learning to proceed with as little disruption as possible.

We are working on our Response Plan for the safe reopening of the school and will be publishing the DES COVID-19 Response Plan for the safe and sustainable reopening of St Brendan's Boys' N.S. on our school website.

The Response Plan will give details of:

- Physical preparation, signage, hand sanitising stations,
- Advice, procedures and training for the safe return to working in the school for all school staff and pupils
- General and specific advice on how all pupils, staff, parents and visitors will prevent the spread of the virus

We have published our COVID-19 Policy Statement on the school website. Our Board of Management will keep you informed as to the progress of our re-opening plans and provide you with the information required by you to play your part in safely re-opening the school.

We are really looking forward to welcoming our children back to school and will be doing all that we can to ensure that the return to school is a safe and enjoyable experience for the children. We will be in touch with you again before school re-opens. **Please ensure that we have correct phone contact details for you. If you have changed your number recently please provide your new number to the school. We will be using text a parent service to keep you updated.**

Yours sincerely,

Monsignor Cathal Geraghty,  
Chairperson, Board of Management

Annette Regan  
Principal
